THE EPSILONS

On November 17th we inducted our Epsilon class. Over the course of this semester they have grown as leaders and as a team. We are proud to now call them brothers.

In their time as rookies, the Epsilons hosted a fantastic Halloween party, raised more than \$250 to fund their projects, and collected more than 1,200 lbs of canned goods for Feeding America!

2ND ANNUAL FOUNDER'S DAY BANQUET

October 31st marked the two-year anniversary for Delta Psi Nu. To celebrate, we held a banquet at the Blacksburg Country Club on November 8th. Brothers, rookies, and dates all arrived in style. We were served some delicious Italian fare and extremely delicious rolls (seriously, they were amazing).

FOUNDER'S AWARDS

At the banquet we also announced the winners of the first annual Founder's Awards. The three awards were chosen by two founding brothers, Tanner Hansinger and Jim Reszczenski, based off of nominations from the brotherhood.

The Torch Award, distinguished to those who best demonstrate the values of DYN through their involvement in the fraternity and their daily lives, was awarded to Kelly Scott.

The Ut Prosim Award, distinguished to those who best foster the ideals of service through their involvement in DYN, was awarded to DezaRae Beers.

The Crimson and Gold Award, distinguished to those who best foster the ideals of brotherhood through their involvement in DYN, was awarded to Lauren Reynolds.
